

ISAP Meeting Minutes
January 15, 2019
2:00-4:00pm, Mason City Hall
201 West Ash, Mason MI 48854

Members Present: Melea Bullock, Dawn Todd, Micki Fuhrman, Jamie Park, Joel Hoepfner, Wendy Boyce, Mike Tobias, Sarah Kenney, Dawn Kepler, Sophia Estrada-Ferreira, Ken Dail, Steven Holmes, Christian Powell, Cassidy Livingston, Nick Toodzio, Haley Bourdeau, Mary Hull

Call to order: 2:08pm

Meeting facilitated - Mary Hull

Approval of agenda: Sarah (1st) Mary (2nd)

Minute Corrections - n/a

Agenda Corrections - n/a

Agenda approved - Mary

Drug Report - Sparrow Hospital Medical Examiners by Mary Hull

- See packet attached for more information
- Increased deaths associated with fentanyl

ISAP Update

- Staff updates
 - Sarah Bryant - Took position at Spectrum Health after working at Health Department for 13 years
 - Maureen Smith - Returned to roots in Ann Arbor with University of Michigan, would love to keep in contact with all of you!
- DFC Grant
 - Still have a year of DFC grant - need coordinator who can stay long term even after the grant ends. Considering moving from Prevention Network to different agency for fiduciary duties

- Travel updates
 - Would like active involvement in coalition for CADCA conference for specific workgroups. Strategically choosing which applicants will attend. More conferences coming up, will update website.
 - If there are conferences you would like to attend that will benefit the coalition, please let Melea know!
- Community Report
 - Consider ordering community report booklet design, trifold, or pamphlet for data collected.
 - Option 1: two sided bifold infographic
 - Option 2: double sided trifold
 - Option 3: full square sized booklet
 - Targeted audience: adults, schools, for community, not youth focused

Too Cool for Drugs - Steven Holmes from Child and Family Charities

- Training in Boston
- Teens in court system go through this program
- Starts off with life/basic skills (problem solving, decision making, communication), then week by week they build up on specific drugs and how they affect the body. Then at the end they give information on alternatives.
- Gone very well, been very positive. Offers youth more focus on prevention and additional support.
- Haven't had evaluations for teens yet, but are working on it.

Workgroup Updates

- Family Matters
 - Printing more resource cards, need to finalize what is getting put on it.
 - Also putting together vaping presentation
 - Next meeting : Feb. 4th @ Prevention Network - 3pm
- MSHN

- n/a
- Policy
 - 4am sales did not pass. Half mile rule not reinstated. Cap on premium cigars
 - Next meeting: Feb. 7th
 - Tracking violations of vendors with liquor licenses
- Outreach and Development
 - Still doing annual celebration in Stockbridge
 - Interviews with former coalition members to see what's missing or what makes people less engaged
 - Getting new member packets
 - Meet quarterly - Feb meeting TBD
- ROSC
 - Looking to build and come up with more activities surrounding recovery and advocacy.
 - Overdosing in public bathrooms - install blue lights to make it impossible to find a vein and shoot up.
 - Next meeting: March 11th @ CEI - 1pm
- Youth
 - Asking for money to support Photovoice in multiple schools, will be sticking to only one
 - Looking for someone to fill Maureen's spot
 - Want people who offer benefits to workgroup chair positions rather than just a person in charge.

Announcements and Celebrations

- Save the Date for CMH Annual Breakfast - March 25
- Stand up 2 stigma - promote reducing stigma
- Wellness INX feb 7-9, Screenings held
 - CCAR March 4-8
 - Both have MCBAP CEUs offered

- Ingham Play & Learn groups calendar attached
- IOAPI Meeting cancelled, next meeting: March 20
- Sarah Kenney - providing Naloxone training to anyone who is interested!
- MI Coalition to Reduce Underage Drinking next meeting: Feb. 1
- April 23rd - Hannah Comm Center - Show-alition Showcase
- Strengthening Families is being held throughout the year
- PAL Training on Friday for middle schoolers.
- Micki has been able to train whole school districts for MI Model thanks to MSHN grants
- Prescription Drug Task Force: Currently searching for fiduciary, updating strategic plans
 - Distributed 60 Narcan kits since September
- Child and Family Charities: open positions - life coach, foster care
 - Tour and lunch to learn more about agency in March
 - Breakfast in May to learn about agency
 - This month: Homeless Count

Upcoming Agenda Items

- Activities
 - Looking for someone to help with our strategic plan next month
 - March 14: Tall Cop Says Stop
 - Setting up Poverty Simulation
 - Having a bank of money to send people to Prevention Conference
 - Annual Celebration: June @ Stockbridge
- Requests

Meeting adjourned: 3:54pm

INGHAM SUBSTANCE AWARENESS & PREVENTION [ISAP] COALITION - DESIGN QUOTE

Prepared for Client: Melea Bullock, ISAP Coalition Coordinator

Email: mbullock@eatonresa.org

Phone: 517.541.8702 / 517.231.1305

SCOPE OF SERVICES:

The scope of services includes the consulting, research, planning and design for:

- Ingham County Community Report – 3 Layout Options – Client to confirm desired layout from options noted below.

QTY	DESCRIPTION	TIME	RATE	EST. INVESTMENT
1	Community Report Document Size: 8.5x11" single or double-sided <i>Synthesize Data, Design & Development</i>	12 hrs	\$25/hr	\$300.00
1	Infographic Design Document Size: 22x8.5", trifold <i>Synthesize Data, Design & Development</i>	20 hrs	\$25/hr	\$500.00
1	Booklet Design 9x9", 8-page booklet <i>Synthesize Data, Design & Development</i>	36 hrs	\$25/hr	\$900.00

PROCESS INCLUDED:

Included are all planning discussions, client meetings, research and development, design and layout of each product, up to 2 rounds of client revisions to each design, file preparation, and population of content (additional revisions to be billed at \$50/hr). Final design files to be delivered in various applicable formats (i.e. jpg, png, ai, eps, pub, doc, xlsx, etc.) and sizes including high and low resolution.

ACCREDITATION:

Upon completion of the project Designer will assign to Client all rights, title and interest in the work produced under this agreement, except that the Designer retains display rights in the work (i.e. for use in portfolios, exhibitions and other self-promotion channels). A credit line suitable to the design of the page will be used.

TERMS:

50% deposit/retainer fee due upon agreement – remaining 50% due upon completion (checks to be made payable to Michele K. Stitt). Designer will invoice Client for the balance, with payment due within 10 days of the invoice date. Any payment not received by its due date will accrue interest at 1.5% per month. Designer will be solely responsible for her own expenses. If Client cancels the project after Designer has begun work, Designer is entitled to a "kill fee" of \$250, less any fees already paid to Designer. Please make check payable to: Michele Keren Design, LLC

CONTRACTED SERVICES EFFECTIVE:

Start Date: TBD BY CLIENT

Completion Date: TBD BY CLIENT (Estimated completion date: mid-May 2019)

PROJECT TIMELINE:

Designer to supply Client with Project Timeline once Client confirms Community Report layout.

THANK YOU FOR THIS OPPORTUNITY!

5234 S. Washington Ave. Lansing, MI 48911 . 517.402.0103 . michelekerenstitt.com

INGHAM PLAY & LEARN GROUPS

January 14 – March 22, 2019 Schedule

www.inghamgreatstart.org

www.inghamisd.org

Sponsored by Early On & Great Parents Great Start

*Play & Learn Groups are for families residing in one of the twelve Ingham Intermediate School Districts.

*Dates groups will *not* meet are listed below each group.

Monday

Holt – Midway Early Learning Center

• Lead: Sarah

9:15 – 10:15 am

OR

10:30 – 11:30 am

*No Group 1/21/19, 2/18/19

Okemos - Faith Lutheran Church

• Lead: Jamie

10:00 – 11:00 am

*No Group 1/21/19, 2/18/19

Tuesday

Stockbridge – Heritage Elementary

• Lead: Stacy

10:00 – 11:00 am

Room B102

Harley Franks Early Childhood Center

Room 115

• Lead: Dorothy

10:00 – 11:00 am

Wednesday

Haslett Community Education Building

• Lead: Jamie

9:15 – 10:15 am

OR

10:30 – 11:30 am

Enter on North side of Bldg.

Mason Methodist Church

• Lead: Miranda

9:15 – 10:15 am

2018 Quarter 3 Drug Report
July 1, 2018 – September 30, 2018

Drug-Related Deaths - Defined

Deaths that result entirely or partially from acute toxicity. These are deaths which resulted from a combination of natural disease and acute intoxication (e.g. lung disease complicated by opioid intoxication). This will not include deaths by violence, in which the violent behavior may have been caused or contributed to by intoxication (e.g. death due to injury from motor vehicle crash in which the at-fault driver was intoxicated). Also not include are deaths related to the effects of chronic substance use (e.g. deaths due to alcoholic liver disease or heart disease which may have been contributed to by chronic cocaine use) if not combined with acute toxicity.

The majority of the drug deaths reported are due to more than one substance, as you will see in the detailed tables that follow. Often, decedents have even more substances present in their body at the time of death or overdose incident than just the substances listed as having caused or contributed to death.

Highlights

From the previous quarter (April 1 2018 – June 30 2018)

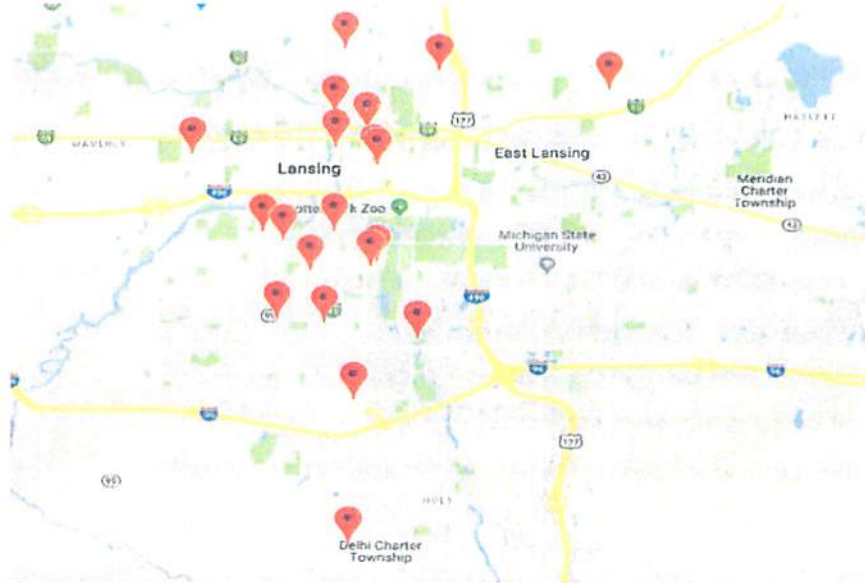

- Total drug-related deaths increased by 4 (deaths)
- Opioid-related deaths increased by 4 (deaths)
- Fentanyl and/or fentanyl analogue-related deaths decreased by 1 (death)
- Fentanyl and/or fentanyl analogue(s) were identified as substances causing death in 58% of all drug-related deaths in Q3 2018
- Q3 2018 marked the first time we have seen the fentanyl analogue valeryl fentanyl in any of our counties (two occurrences)
- Fentanyl analogues identified as having caused or contributed to death in Q3 2018 included: acetyl fentanyl and valeryl fentanyl
- Benzodiazepine deaths increased by 1 (death)
- Cocaine-related deaths remained constant at 11 (deaths)
- Amphetamine/Methamphetamine-related deaths increased by 1 (death)
- 83.7% of all drug-related deaths in Q3 2018 were due to two or more substances
- Fentanyl was present and contributed to death in 8 of the 11 (72.7%) cocaine-related deaths in Q3 2018

Focus on Ingham County for the Quarter 3, 2018

Sex	Age	Substance(s) Causing Death	Manner of Death
Male	21	opioids (fentanyl), benzodiazepines	Accident
Male	27	alprazolam, fentanyl, morphine (probable heroin)	Accident
Female	28	fentanyl, heroin, acetyl fentanyl, valeryl fentanyl, cocaine, alprazolam, diphenhydramine	Accident
Male	28	fentanyl, morphine, hydrocodone, cocaine	Accident
Male	29	heroin, butane	Accident
Male	31	fentanyl, cocaine, ethanol	Accident
Male	34	fentanyl, cocaine	Accident
Male	35	diphenhydramine, fentanyl	Accident
Male	36	diazepam, ethanol, oxycodone	Accident
Male	38	acetyl fentanyl, fentanyl	Accident
Male	41	heroin, ethanol	Accident
Female	41	fentanyl	Accident
Male	42	fentanyl, methamphetamine	Accident
Female	44	fentanyl, heroin, oxycodone	Accident
Male	44	fentanyl, methamphetamine	Accident
Male	44	fentanyl, methadone, cocaine	Accident
Female	45	methamphetamine	Accident
Male	46	cocaine	Accident
Male	48	alprazolam, cyclobenzaprine, diphenhydramine, fentanyl, pregabalin	Accident
Male	56	fentanyl, heroin, cocaine	Accident
Female	57	heroin, clonazepam, cyclobenzaprine, gabapentin, ethanol	Accident
Male	65	cocaine, fentanyl	Accident
Female	65	acetaminophen, codeine, ethanol, hydrocodone	Indeterminate
Male	71	cocaine	Accident
Male	72	heroin, fentanyl, cocaine, ethanol	Accident

Ingham County

Mapped Locations of Drug-Related Deaths within Ingham County, Quarter 3 2018

2018 Quarter 3 Eaton County Drug-Related Deaths

Sex	Age	Substance(s) Causing Death	Manner of death
Female	23	fentanyl, flurazepam, hydroxyzine	Accident
Male	27	clonazepam, ethanol, fentanyl, fluoxetine	Accident
Female	36	methadone, alprazolam, cocaine	Accident
Male	44	alprazolam, ethanol	Accident
Male	50	ethanol	Accident
Female	53	oxycodone	Accident
Male	62	amitriptyline, oxycodone	Suicide
Male	63	acetylfentanyl, ethanol, fentanyl, methamphetamine	Accident
Female	70	cyclobenzaprine, hydrocodone, tramadol, trazodone, venlafaxine	Accident

2018 Quarter 3 Ionia County Drug-Related Deaths

Sex	Age	Substance(s) Causing Death	Manner of death
Female	25	fentanyl, valeryl fentanyl	Accident
Female	58	alprazolam, amitriptyline, diazepam, methadone	Accident

2018 Quarter 3 Isabella County Drug-Related Deaths

Sex	Age	Substance(s) Causing Death	Manner of death
Female	27	fentanyl, methamphetamine	Accident
Male	21	clonazepam, cyclobenzaprine, gabapentin	Accident
Male	38	amitriptyline, diphenhydramine, fentanyl	Accident
Male	53	fentanyl, acetylfentanyl	Accident

2018 Quarter 3 Shiawassee County Drug-Related Deaths

Sex	Age	Substance(s) Causing Death	Manner of death
Male	37	amitriptyline, dihydrocodeine, ethanol, fentanyl, hydrocodone, pregabalin	Accident
Male	50	ethanol, methamphetamine	Accident
Female	62	gabapentin	Suicide

How do we compare to past years?

For the entire year of 2016; per Ingham County Medical Examiner
There were 103 total number of drug-related deaths

1) 88 deaths were opioid-related

77 opioid-related deaths were Ingham County residents

11 opioid-related deaths were non-County residents

2) 15 deaths were non-opioid-related

10 non-opioid deaths were Ingham County residents

5 non-opioid deaths were non-County residents

http://www.hd.ingham.org/Portals/HD/Home/Documents/HPP/Opioid_Surveillance_Annual_2016_Final.pdf

How do we compare to past years?

For the entire year of 2017; per Ingham County Medical Examiner
There were 104 total drug-related deaths

1) 81 deaths were opioid-related

73 opioid-related deaths were Ingham County residents

8 opioid-related deaths were non-County residents

2) 23 deaths were non-opioid-related

18 non-opioid deaths were Ingham County residents

5 non-opioid deaths were non-County residents

http://www.hd.ingham.org/Portals/HD/Home/Documents/HPP/Opioid_Surveillance_Annual_2017_Final.pdf

So far in 2018 as of November 29, 2019

So far in 2018; per Ingham County Medical Examiner

There has been 87 total drug-related deaths

1) 73 deaths were opioid-related

66 opioid-related deaths were Ingham County residents

7 opioid-related deaths were non-County residents

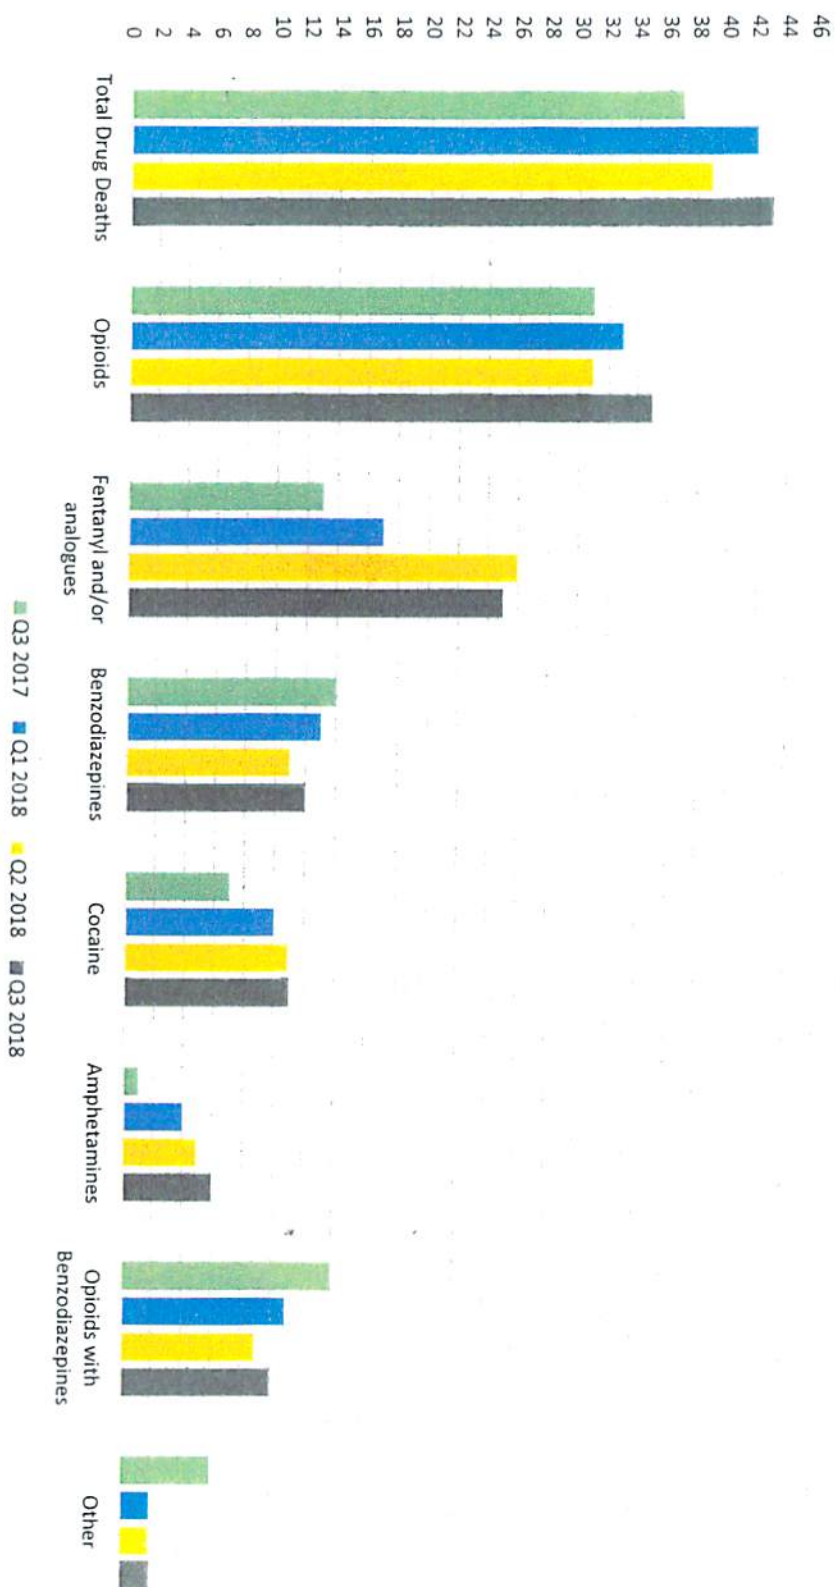

2) 14 deaths were non-opioid-related

12 non-opioid deaths were Ingham County residents

2 non-opioid death was a non-County residents

All-County Drug Class Occurrences in Drug-Related Deaths Q3 2018 compared with Q1 & Q2 2018, and Q3 2017

This chart describes occurrences in one death of a given class of drug. As most drug-related deaths are due to two or more substances, the same death may fall into multiple categories (e.g. death due to fentanyl and alprazolam intoxication falls into the opioids, benzodiazepines, fentanyl and/or analogues, and opioids with benzodiazepines categories). Multiple of the same class of drug in the same death counts as only one occurrence of that class of drugs (e.g. death due to heroin and hydrocodone intoxication – both of these are opioids so this death falls only in the opioids category, as one occurrence). The “other” category is for occurrences of drug-related deaths due solely to drugs which do not fall into the other listed categories.

Ingham County Drug-Related Deaths

Ingham County Drug Class Occurrences in Drug-Related Deaths
Q3 2018 compared with Q1 & Q2 2018, and Q3 2017

This chart describes occurrences in one death of a given class of drug. As most drug-related deaths are due to two or more substances, the same death may fall into multiple categories (e.g. death due to fentanyl and alprazolam intoxication falls into the opioids, benzodiazepines, fentanyl and/or analogues, and opioids with benzodiazepines categories). Multiple of the same class of drug in the same death counts as only one occurrence of that class of drugs (e.g. death due to heroin and hydrocodone intoxication – both of these are opioids so this death falls only in the opioids category, as one occurrence). The “other” category is for occurrences of drug-related deaths due *solely* to drugs which do not fall into the other listed categories.
